**IT IS HEREBY ORDERED AS FOLLOWS:**

**I. PRELIMINARY APPROVAL OF THE SETTLEMENT AGREEMENT**

1. The Court preliminarily approves the proposed Settlement Agreement, including the Allocation Decision, because the Parties have shown, and the Court concludes, that, pursuant to Federal Rule of Civil Procedure 23(e)(1)(B)(i), the Court will likely be able to grant final approval and find that the Settlement Agreement is fair, reasonable, and adequate, including that (i) Plaintiffs and Plaintiffs' Class Counsel have adequately represented the Class, (ii) the Subclass representatives and Allocation Counsel have adequately represented their respective Subclasses, (iii) the Settlement Agreement was entered into in good faith, free of collusion, through significant arm's-length negotiations assisted by the experienced Court-Appointed Economic Loss Settlement

Mediator; (iv) the Allocation Decision was reached through arm's-length negotiations and presentations from Allocation Counsel and then determined by the Court-Appointed Economic Loss Settlement Mediator; (v) the relief provided for the Class and each Subclass is adequate taking into account the costs, risks, and delay of trial and appeal and the effectiveness of distributing relief; and (vi) the Settlement Agreement and Allocation Decision treat Class Members equitably relative to each other.

2. The Court authorizes establishment of the Common Fund in accordance with the terms of the Qualified Settlement Fund Trust Agreement, which is attached to the Settlement Agreement as Exhibit 7. The Common Fund is established as a "qualified settlement fund" within the meaning of Section 468B of the Internal Revenue Code and the Treasury Regulations thereunder. The Common Fund shall be operated in a manner consistent with the rules of Treasury Regulation Section 1.468B-1, *et seq.* The Court shall retain continuing jurisdiction and supervision over the Common Fund, in accordance with the terms of the Qualified Settlement Fund Trust Agreement. The Court appoints Flora Bian of JND Legal Administration as Qualified Settlement Fund Administrator and Trustee to carry out all duties and responsibilities of the Qualified Settlement Fund Administrator and Trustee as specified in the Settlement Agreement, the Qualified Settlement Fund Trust Agreement and herein.

3. The Parties and the Motors Liquidation Company Avoidance Action Trust (the "AAT") shall file an amended Settlement Agreement (the "Amended Settlement Agreement"), no later than May 1, 2020, which, in consideration for the AAT's agreement to contribute \$2.2 million to the Common Fund, shall include a provision releasing all potential claims against Old GM, the Old GM bankruptcy estate and the AAT, and otherwise be consistent with (i) the terms set forth in that Joint Letter, dated April 22, 2020, filed at Docket Number 7869 and (ii) the representations

made on the record at the Joint Hearing held on April 23, 2020 before the Honorable Jesse M. Furman and the Honorable Martin Glenn. For the avoidance of doubt, and consistent with the Order (I) Approving the GUC Trust Administrator's Actions; (II) Approving the Settlement Agreement and the Release Agreement Pursuant to Federal Rule of Bankruptcy Procedure 9019 and (III) Authorizing Reallocation of GUC Trust Assets entered in the Bankruptcy Court (Dkt. 14730), any provisions in the Settlement Agreement preserving claims against Old GM, the Old GM bankruptcy estate and the AAT, including but not limited to paragraphs 142 and 143, are not preliminarily approved.

## **II. THE CLASS, CLASS REPRESENTATIVES, AND CLASS COUNSEL**

4. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, for purposes of the Settlement only, the Court finds that it will likely be able to certify the following proposed settlement class:

[A]ll Persons who, at any time as of or before the Recall Announcement Date of the Recall(s) applicable to the Subject Vehicle, own(ed), purchase(d), and/or lease(d) a Subject Vehicle in any of the fifty States, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands, and all other United States territories and/or possessions.

5. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, for purposes of the Settlement only, the Court finds that it will likely be able to certify the following proposed settlement subclasses:

- (i) Subclass 1: The Delta Ignition Switch Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v047.
- (ii) Subclass 2: The Key Rotation Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall Nos. 14v355, 14v394, and 14v400.
- (iii) Subclass 3: The Camaro Knee-Key Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v346.

- (iv) Subclass 4: The Electric Power Steering Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v153.
- (v) Subclass 5: The Side Airbag Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v118.

6. The Court finds, for settlement purposes only, that the Class, including all Subclasses as defined above, will likely meet the requirements for class certification under Federal Rules of Civil Procedure 23(a) and 23(b)(3) — namely (a) the Class Members are sufficiently numerous such that joinder is impracticable; (b) there are common questions of law and fact; (c) the Plaintiffs' claims are typical of those of the Class Members; (d) the Plaintiffs and Plaintiffs' Class Counsel have adequately represented, and will continue to adequately represent, the interests of the Class Members, and the Subclasses are adequately represented by proposed Subclass Counsel, which includes the attorneys who served as Allocation Counsel; and (e) questions of law and fact common to the Class predominate over the questions affecting only individual Class Members and certification of the Class is superior to other available methods for the fair and efficient adjudication of this controversy.

7. The Class and Subclasses are subject to the exclusions set forth in Paragraph 12 of the Settlement Agreement.

8. The Class and Subclasses, if certified in connection with Final Approval, shall be for settlement purposes only and without prejudice to the Parties in the event the Settlement is not finally approved by this Court or otherwise does not take effect.

### **III. APPROVAL OF THE FORM AND MANNER OF NOTICE**

13. Class Notice will be accomplished through a program overseen by the Class Action Settlement Administrator utilizing a combination of the Short Form Notice (amended Exhibit 11), Summary Settlement Notice (amended Exhibit 12), nationwide press releases (amended Exhibits 16 and 17), notice through the Settlement website that is separate and distinct from the MDL website, and Long Form Notice (amended Exhibit 5). Specifically, the Class Action Settlement Administrator shall (i) arrange for publication of the Summary Settlement Notice, substantially in the form attached as amended Exhibit 12 to the Settlement Agreement, in *People* magazine, and (ii) cause the dissemination of nationwide press releases, as described in the Declaration of the Class Action Settlement Administrator, in substantially the form agreed upon by the Parties and attached to the Settlement Agreement as amended Exhibits 16 and 17 at the commencement of the Class Notice program and again shortly before the deadline for the Settlement Claim Period.

14. Pursuant to the Court’s inquiry set forth in Section II.D.1 of the Court’s Order entered on April 22, 2020 (Docket No. 7868), the Parties proposed edits to the Class Notice documents reflected (reflected in amended Exhibits 5, 11, 12, 16 and 17) make clear, as provided in Paragraph 114 of the Settlement Agreement, that the Settlement does not affect claims for personal injury, wrongful death, or property damages. The Court approves amended Exhibits 5, 11, 12, 16 and 17 as sufficient and appropriate to address the Court’s inquiry.

15. Additionally, the Class Action Settlement Administrator shall send the Short Form Notice, substantially in the form attached to the Settlement Agreement as amended Exhibit 11, as direct notice by postcard via first class U.S. mail, proper postage prepaid, to the Class Members as identified by vehicle registration data after utilizing a service for updating addresses. In addition, the Class Action Settlement Administrator shall: (a) re-mail promptly any Short Form Notices returned by the United States Postal Service with a forwarding address; and (b) utilize other methods to identify Class Members for any returned Short Form Notices that do not include a forwarding address, such as address research firms or email identification services, deemed proper by the Class Action Settlement Administrator.

16. The Court finds that both the Short Form and Summary Settlement Notice sufficiently inform potential Class Members how to obtain the Long Form Notice via the Settlement website, via regular mail, or via a toll-free telephone number, pursuant to Sections III.E and III.F of the Settlement Agreement. The Long Form Notice shall be made available to Class Members in substantially the form attached as amended Exhibit 5 to the Settlement Agreement via the Settlement website and via regular mail upon request made by a Class Member via the website or the toll-free telephone number.

17. Pursuant to Federal Rules of Civil Procedure 23(e)(1) and 23(c)(2)(B), the Court finds that the content, format, and method of disseminating Class Notice set forth in the Settlement Agreement, including the form and content of the proposed forms of Class Notice attached as Exhibits 5 (Long Form Notice), 11 (Short Form Notice), and 12 (Summary Settlement Notice) to the Settlement Agreement, is the best notice practicable under the circumstances and satisfies all legal requirements, including Federal Rule of Civil Procedure 23(c)(2)(B) and the Due Process Clause.

18. The Court further finds that the proposed forms of Class Notice clearly and concisely state in plain, easily understood language, *inter alia*: (i) the nature of the Actions; (ii) the definition of the Class and the Subclasses; (iii) the nature of the Class claims and issues; (iv) that a Class Member may enter an appearance through an attorney if the member so desires; (v) that the Court will exclude from the Class any member who timely and validly requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on Class Members under Federal Rule of Civil Procedure 23(c)(3).

19. The Court further finds that the Class Notice informs Class Members of the Settlement in a reasonable manner under Federal Rule of Civil Procedure 23(e)(1)(B) because it fairly apprises the prospective Class Members of the terms of the proposed Settlement and of the options that are open to them in connection with the proceedings.

20. The Court therefore approves the proposed Class Notice plan, and hereby directs that such notice be disseminated to Class Members in the manner set forth in the Settlement Agreement and described in the Declaration of the Class Action Settlement Administrator attached as Exhibit 14 to the Settlement Agreement under Federal Rule of Civil Procedure 23(e)(1). The Plaintiffs, New GM, and the GUC Trust are directed to take all necessary and appropriate steps to disseminate Class Notice, including Notice substantially in the forms of amended Exhibits 5 (Long Form Notice), 11 (Short Form Notice), and 12 (Summary Settlement Notice) to the Settlement Agreement. The Parties are further directed to ensure the MDL website provides a link to the Settlement website.

21. The Court appoints Jennifer Keough of JND Legal Administration (“JND”) as Class Action Settlement Administrator and directs Ms. Keough to carry out all duties and responsibilities of the Class Action Settlement Administrator as specified in the Settlement

Agreement and herein. The Court authorizes the Class Action Settlement Administrator, through data aggregators or otherwise, to request, obtain and utilize vehicle registration information from the Department of Motor Vehicles for all 50 states, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands and all other United States territories and/or possessions for the purposes of identifying the identity of and contact information for purchasers and lessees of Subject Vehicles. Vehicle registration information includes, but is not limited to, owner/lessee name and address information, registration date, year, make, and model of the vehicle.

22. Pursuant to the Settlement Agreement, all Settlement Implementation Expenses, including but not limited to the costs of Class Notice and retention of the Class Action Settlement Administrator and the Qualified Settlement Fund Administrator and Trustee, shall be paid from the Common Fund, but only upon either (i) written approval by Plaintiffs' Class Counsel, New GM, and the GUC Trust or (ii) leave of Court.

#### **IV. SETTLEMENT PARTICIPATION, EXCLUSION, AND OBJECTION PROCEDURES**

23. Class Members must submit a timely Settlement Claim Form, in the form substantially similar to amended Exhibit 9 to the Settlement Agreement, in order to become a Settlement Claimant eligible for a settlement payment pursuant to Section II.A of the Settlement Agreement. All Settlement Claim Forms must be submitted during the Settlement Claim Period. In response to the Court's inquiry in Paragraph II.E.2 of the Court's April 22, 2020 Order, the Parties amended Exhibit 9 to clarify as required by Paragraph 82 of the Settlement Agreement, that only Class Members who are current owners, purchasers or lessees of a Subject Vehicle are required under the Settlement to receive the applicable Recall repair(s) by an authorized GM dealer in order to be eligible to receive a settlement payment. The Court finds that the edits reflected in amended Exhibit 9 are sufficient and appropriate to address the Court's inquiry. As reflected in

amended Exhibit 9, the Settlement provides that the Settlement Claim Form may be submitted by mail to the Class Action Settlement Administrator, by email to the Class Action Settlement Administrator, or electronically on the Settlement website via a Settlement Claim Form fillable and submittable online.

24. The Settlement Claim Period, during which Class Members may submit a Settlement Claim Form for review by the Class Action Settlement Administrator, will begin on the date of this Order and end 90 days after the Final Effective Date.<sup>5</sup> Any Settlement Claim submitted after the Settlement Claim Period concludes will be rejected by the Class Action Settlement Administrator as untimely, and cannot qualify for a settlement payment.

25. The Class Action Settlement Administrator shall not begin to review and evaluate Settlement Claims for eligibility until after the occurrence of the Final Effective Date. Settlement Claims approved by the Class Action Settlement Administrator shall be paid from the Net Common Fund by the Qualified Settlement Fund Administrator and Trustee in accordance with the final determinations made by the Class Action Settlement Administrator pursuant to the Settlement Claim Review Protocol, the Allocation Decision, and the terms of the Settlement Agreement and the Qualified Settlement Fund Trust Agreement.

26. As detailed in Section IV of the Settlement Agreement, all Persons who request to become Opt-Outs must do so by mailing a written, hand-signed request to the Class Action Settlement Administrator at the address provided in the Long Form Notice (amended Exhibit 5 to the Settlement Agreement), specifying that such Person wants to become an Opt-Out, the dates of

---

<sup>5</sup> Pursuant to the Court's inquiry set forth in Section II.E.3 of the Court's April 22, 2020 Order, the Parties agreed to a Substituted page 7 to the Settlement Agreement that revises subpart (c) of Paragraph 24 of the Settlement Agreement to provide that any agreement in writing by Plaintiffs' Class Counsel, New GM and the GUC Trust for the Final Effective Date to occur on a date other than as set forth in subparts (a) and (b) of Paragraph 24 shall only be effective if approved by this Court. The Court finds that the Parties' revision of Paragraph 24 is sufficient and appropriate to address the Court's request.

ownership or lease of the Subject Vehicle, the make, model, model year, and VIN of the Subject Vehicle, the Person's current address, the Person's address at the time of ownership or lease of the Subject Vehicle, and otherwise complying with the terms stated in the Long Form Notice and this Order. The Opt-Out request must be postmarked no later than **October 19, 2020**, which is 175 days after entry of this Order (the "Opt-Out Deadline").

27. Potential Class Members who exercise the right to opt out of the Settlement must do so for all claims that the Potential Class Member possesses against the GUC Trust, Old GM, or New GM.

28. Any potential Class Member who has submitted a timely and valid request to become an Opt-Out may revoke such request by filing written notice of such revocation with the Court at any time prior to entry of the Final Judgment.

29. The Class Action Settlement Administrator shall provide to Plaintiffs' Class Counsel, New GM's Counsel, and the GUC Trust's counsel a weekly list of the Opt-Outs categorized by Subject Vehicle.

30. No later than thirty (30) days before the date of the Fairness Hearing, the Class Action Settlement Administrator shall file with this Court a list of those Persons who seek to become Opt-Outs, as well as a declaration outlining the scope, method, and results of the Class Notice program. To the extent the Parties determine that it is necessary for this filing to contain information that the Parties propose to redact or file under seal, the Parties are directed to follow Paragraph 7 of the Court's Individual Rules and Practices in Civil Cases.

31. Any potential Class Member who does not file a timely written request to become an Opt-Out in compliance with paragraph 24 hereof shall be bound by all subsequent proceedings, orders and judgments, including, but not limited to, the Class Members' Release, the Final Order,

and the Final Judgment, even if such Class Member has litigation pending or subsequently initiates or attempts to initiate litigation against any Released Party relating to the claims and transactions released under the Settlement Agreement.

32. If a potential Class Member files a request to become an Opt-Out, such Person may not file an objection to the Settlement, Final Order, or Final Judgment.

33. Any Class Member who has not filed a timely written request to become an Opt-Out and who wishes to object to the fairness, reasonableness, or adequacy of the Settlement Agreement, to the award of Attorneys' Fees and Expenses, or the Plaintiff Incentive Awards, must file with this Court a written statement of the Class Member's objections (a "Settlement Objection"). The Settlement Objection must be postmarked by **October 19, 2020**, which is 175 days after entry of this Order.

34. Any such Settlement Objection must include the specific reason(s) for the objection, including any legal support the Class Member wishes to bring to the Court's attention, any evidence or other information the Class Member wishes to introduce in support of the Settlement Objection, and a statement of whether the Class Member intends to appear and speak at the Fairness Hearing in support of the Settlement Objection.
